

Arts in the Heart 2012

Hello!

We are so excited that you are donating your time and talent to help the Greater Augusta Arts Council with this year's Arts in the Heart Festival! Please take a few moments to read through these notes I've written to help you fill out your volunteer application and have the best experience possible.

We **welcome all volunteers** whether you are new or an experienced hand in our events. We love families, book clubs, boy scout or girl scout troupes, and anyone else who wants to volunteer as a group – but this application isn't for them! We have a **special group volunteer application** for them. Accepting one application with the whole group's information gives the group a better chance of being put exactly where they want to work and working together. With the group application will be a specific set of guidelines and notes tailored to their needs. Also, **check back** from time to time whether filling out a group or individual application because **we will be updating the volunteer application as shifts and shift areas are filled** (remember first come, first served). No matter what application type you they are all due on **August 31st, 2012**.

Next I want to address what I lovingly refer to as the “wonky shift”, on Friday at 2:30Pm -5pm, which is set-up for the festival. The 2:30pm-5pm shift on Friday is the only shift that requires volunteers interested in helping set-up. This shift happens before anything in the festival opens so there are no beer tents, ticket booths, or stage hand (ect, ect) positions for this shift – just set up, which is usually lifting and moving or helping make sure the festival site is up and running. Please take this into consideration when deciding when and where you want to volunteer at the festival.

Other than that, happy volunteering! We look forward to working with you at this year's festival. If you have any questions feel free to call, email, or fax me.
